Product Introduction

Each individual member from our significant effectiveness gross sales workforce values customers' demands and small business communication for China OEM China Waste Wood Chips Sawdust Pressed Pallet Molding Making Machine, We'll offer most effective top quality, quite possibly the most sector aggressive value, for each new and old customers with all the most excellent green services. China OEM China Pallet Machinery, Pallet Production Line, With a wide range, good quality, reasonable prices and stylish designs, our products are extensively used in this field and other industries. We welcome new and old customers from all walks of life to contact us for future business relationships and achieving mutual success! We welcome customers, business associations and friends from all parts of the world to contact us and seek cooperation for mutual benefits.

1200×800 Presswood Pallet Factory, Suppliers and Manufacturers

Product Introduction of 1200×800 Presswood Pallet

The full name of 1200×800 Presswood Pallet is plant fiber molded flat industrial pallet. The raw materials used for the pallet are wood shavings, plant stalks, etc. It is an integral structure, and the panel and 9 supporting feet are molded at one time. The surface of the pallet board is flat and smooth, which can meet the transportation of various goods, and the lower surface is equipped with reinforcing ribs. The horizontal and vertical force of the board is balanced, and the nine-leg distribution can meet the four-way insertion of the forklift. It is a flat four-way fork-in single-sided pallet.

Specification of 1200×800 Presswood Pallet

Material	Recycled Wood
Type	Industry pallet
Entry Type	4-Way
Style	Single Faced
Place of Origin	Shandong, China
Product name	1200×800 Presswood Pallet
